WELCOME

From Principal Donica's Desk School Community and Culture

Community is the heart of Bluffton High School. Through the hard work of the administrators, teachers, staff, and coaches, we are excited to offer a huge variety of clubs, athletics, and extracurricular activities for our students.

Parental and community support is an essential and welcome part of building our academically rigorous and balanced school community. There are many ways that parents and community members can get involved.

The BLHS PTO is seeking members. Please contact Karen Balerna: 508-930-2738
PTO email: BLHS.PTO@gmail.com
The School Improvement Council (SIC) meets the first Thursday of every month from 6:00-7:30 PM in the room across from the Guidance office. All community members and parents are welcome.

At Bluffton High School, we love celebrating student accomplishments and we need help! Become a Bobcat Partner in Education by giving a donation to assist in celebrating student accomplishments in the areas of student excellence- honor roll, perfect attendance, and good behavior. All proceeds go directly to the students to help cultivate that BLHS positive culture and community. You can participate in Partners in Education by contacting me at 843-706-8800. As a partner, your name or business will be proudly displayed on the "Partners in Education" board located in the front entrance of the school.
