

Accessing Files Saved on Your Student Drive (while at home)

Step 1 - Log into your ClassLink page.

Step 2 - Click on “My Files” at the bottom of the page.

Step 3 - Click on “School Network” on the left side of your screen.

Step 4 - You will now see all of your available school-related drives. Click on the drive where your file is located, then click on your file to open it.
