ACADEMIC WORLDQUEST

DISTRICT WINNERS

BLHS Academic WorldQuest team members Jordan Wilhelm, Kate Anderson, Bailey Yang, and Nathan Lessard celebrate their countywide victory and look forward to the national competition in Washington DC next month. They are coached by Mrs. Pam Wolske.

From Principal Donica's Desk Spotlight on Clubs

We have had an exciting few weeks related to our very active clubs in the building. Not only did we have a team win the county-wide Academic WorldQuest competition, Bluffton High School DECA students traveled to Charleston to compete against 500 students from across the state. We came back victorious, with many winners invited to compete at the International Career Development Conference. This conference will take place in April in Nashville, Tennessee.

Teens for Healthy Youth has encouraged many of their peers to take the Communities that Care survey in order to collect data to develop programs to reduce teen use of drugs and alcohol. They hope that their peer to peer

message will increase youth participation. Z club members at BLHS created an awareness and celebrated International Women's Day by passing out informational flyers on International Women's Day while delivering breakfast to teachers and staff. Z club delivered yellow roses later in the week to symbolize Zonta and to recognize teachers that serve as positive role models or mentors for our female students. It is also time for the Mayor's Service Awards. Students can receive recognition for completing community service hours. Contact Ms. Teague for more information at mackenzie.teague@beaufort.k12.sc.us. Make sure to encourage your child to take advantage of these numerous opportunities to get involved.
