From Principal Donica's Desk *Positivity and Purpose*

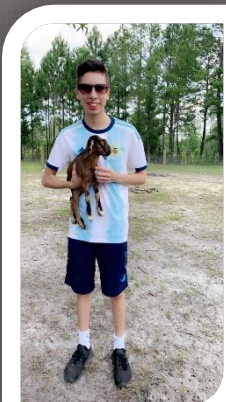

There are some great things happening at Bluffton High School. The administrators and staff at Bobcat Nation are working extremely hard to make sure our students are happy and successful in their hybrid and virtual learning environments. One of our most exciting days of the year for our seniors is College Application Day. This year was no different and it was a resounding success. Over three separate days, A day, B day, and virtual students were able to work with Team Guidance in order to give every senior the one-on-one attention they needed to fill out applications and meet with admissions counselors. We had a total of 109 seniors participate while 11 college admissions counselors, our four counselors, and our career development facilitator were available to help.

IGP Meetings for students are in full swing and junior IGP's will be starting in November. Families of juniors will be getting email notifications to sign up for a time spot in the next week or two.

Parents, the PTO is in need of members and volunteers! Our PTO meetings are currently via Zoom on the second Tuesday of each month at 6:30pm. Although our next meeting will be November 10th at 7:30pm due to a conflict with another group meeting. All parents and teachers are invited to join us in working on a couple of fundraising ideas, but we do need some parent volunteers. The zoom link will be posted on the Bluffton High School PTO Facebook page.

It truly is **Better to Be a Bobcat!**
